Dear Craig,

We are seeking approval for conducting monthly Hopetoun Local Market starting October 4, 2015

Please find attached the application form, Site plan of how stalls will be placed, toilets and parking as requested.

The Hopetoun Local Markets will consist of stalls selling:

Home Produce and Preserves,

Hand made Quilts, Knitted/crochet stall,

Local Art and Photography,

Giftware and Plants

Face painting,

A variety of craft goods/cards locally made/decorated.

We'd like to have something for everyone, creative delights for people to browse through.

Market times will be 9am to 1pm, stall holders will be setting up an hour and a half beforehand.

The purpose of our Local Market is to support the Community by having a local market for people to be able sell their home/hand made products, meet new people and have something for the tourists coming into town.

We still want people supporting the local shops which may be open while the markets are on, so the only hot food selling will be the Community group for that month (men in sheds, P&C, sports club) with sausage sizzle/ bacon and egg rolls.

Toilets are 100m from the market area and the playground and park will be well utilised on these days.

We will have a casual banner letting everyone know where the market is at the market area, but it would be helpful if another banner could be put on the fork roads going from Ravensthorpe to Hopetoun, letting any visitors and the Ravensthorpe residents know when the market is on. These banners would only need to go up a few days before the monthly markets.

In summary, the focus will be on local craft and products as much as possible.

We will not be having tea and coffee but will encourage visitors to purchase these from the surrounding three cafes,

We believe this is important to maintain a good relationship with the main street vendors.

Robyn Cockram

Hopetoun Local Market Co-ordinator
