As a proud resident of the Hopetoun-Ravensthorpe community, I have dedicated my life to providing care and compassion to local families for 37 years as a full-time nurse at Ravensthorpe Hospital. In 2009 I relocated to Hopetoun after my husband passed and sold our Mount Madden farm in 2012. Since then, I reside in Steeredale Meadows where I maintain a hobby farm with the help of my three sons. In my spare time, I enjoy gardening, fishing and caring for my beloved animals.

Now that I'm happily retired, I want to give back even more by running for councillor on the up-coming local government election. As someone who has given so much of their life to our community already, I bring deep empathy, strong ethical values, integrity and balanced decision-making skills - all honed from years spent caring for locals and tourists in times of need.

If you're looking for someone who understands your local issues and will passionately advocate for your community then vote me, Karen Sinclair!
