3. RESPONSE TO PREVIOUS PUBLIC QUESTIONS TAKEN ON NOTICE

The following questions were taken on notice from the March Ordinary Council Meeting.

Ms. Liz Aberline

RE: Esplanade clearing

Q1. Why was this done as there are areas cleared that are not opposite houses?

Shire response; These areas were cleared in response to the Shires bi-annual Shire of Ravensthorpe Townsites Bushfire Review reports, undertaken by an external independent consultant. The aim is to reduce the bushfire attack levels (BAL) within the townsites. Recommendations from the 2022 report and the updates in the 2024 report, along with mapping were provided under separate cover to Ms Aberline.

Q2. This was Hopetoun's only sheltered walk; why was the community not consulted?

Shire response; The vegetation cleared and mulched was weedy wattle, understory and dead eucalypts. As part of the Shire's Bushfire Management Plan the Shire informs local community when we plan to undertake prescribed burning due to potential smoke hazards. We do not typically inform community when we undertake mechanical works or other machinery type of activities.

Q3. Are the cleared areas to be left bare?

Shire response; No. The native wattle will resprout and be kept in a mowed and low/short state. The area is currently covered by mulch.

Q4. If not left bare, will shrubs replace what has been removed?

Shire response; The Acacia rostifilerra will resprout.

Q5. If not left bare, will seeds be sown by hand, leaving non-shaded areas for walkers for quite some time?

Shire response; The burnt windrows will create ashbeds for the establishment of the next generation eucalypts and coastal tea tree.

Q6. Is it being planned that the foredunes are to be removed?

Shire response; No, this has not been considered at any level within the Shire.

Mr. Larry Baker

Q4. Larry queried why there was no ballot postal box made available at the Hopetoun Shire office for the October 2023 local government elections?

Shire response; Neither of the Shire administration offices in Hopetoun nor Ravensthorpe were ballot collection points as part of the October 2023 local government elections. This was operated as a postal election and all ballots were received through the post offices. Shire customer service officers redirected those returning ballots to either Hopetoun or Ravensthorpe post offices. The main reason was to ensure ballot security and integrity of ballot handling. A ballot collection box under the control of the WAEC was setup at the Ravensthorpe shire offices (designated counting location) on the Saturday before the election count to provide last minute ballot submissions, as Post Offices were closed.

Q7. Larry asked what was the status of the old Hopetoun power station and could it be rehabilitated and repurposed?

Shire response: The Shire made contact with Horizon Power to ascertain status of the Hopetoun power station site. Horizon Power indicated that they have plans in place to upgrade the shed and clean the area and this should be completed by the end of August. Horizon Power intend to retain the land for future use. The yard is still in use as a remote depot and used to ensure required equipment is available to minimise unplanned outages when they occur and to store material when maintenance programs are undertaken.

4. PUBLIC QUESTIONS TIME

The following questions were asked at the April Ordinary Council Meeting.

Ms Karen Sinclair

Q. Has there been any developments from my previous question regarding the provision of additional water sources for use by landholders for things such as watering livestock?

CEO response: The CEO responded that there has been no substantive developments in this space however informed Karen that the Goldfields Esperance Development Commission had recently briefed the Council on its "Regional Drought Resilience Plan" and that they would be undertaking community consultation in the near future re the development of this plan. The CEO encouraged the gallery members to participate in this process and ensure their water related issues are included in the development of this plan for the Shire.

Mr Larry Baker

Q1. Larry asked who was the land owner of a property that has dumped 44 gallon drums and IBCs (also provided a hard copy photo with location coordinates) and queried if this land holding could be cleaned up.

CEO response: The CEO thanked Larry for his interest and took the question on notice.

Q2. Larry asked if the Shire had determined the final cost for the Ravensthorpe Cultural Precinct project.

CEO response: The CEO responded saying that there are still some final items of the project to be completed with grants to be acquitted, and once this has been done officers will prepare a finalization report to Council that will include final costings.

Q3. Larry queried if the Shire was currently leasing one or more of the 4 commercial spaces located facing north along Tamar St and if so would it not be better to locate a storage container at the Shire depot to save money?

CEO response: The CEO replied that the Shire was not leasing any of those 4 units highlighted however were leasing the 2 units facing west along Tamar St, being the Hopetoun gym and the Hopetoun Youth and Arts space.

Q4. Larry queried the status of the Airport Master Plan.

CEO response: The CEO responded saying the draft Master Plan will be presented to Council for review in early May and subject to Council feedback officers will then seek approval for the plan to be released for public comment.

Q5. Larry queried a payment made as part of the Report item 12.2.2 Schedule of Accounts for Payment in March, namely "EFT 18395 Scott Smalley Partnership" – "is the Shire paying contractors for providing quotes now?"

CEO response: The CEO took Larry's question on notice.

Q6. Larry queried why the potable water was not working at the Hopetoun groyne and suggested this could be relocated to the black water dump site located at the entry to the Hopetoun transfer station.

CEO response: The CEO took the question on notice.

Q7. Larry asked whether the Shire had to use the WA Electoral Commission to undertake the election services?

CEO response: The CEO responded saying that it is up to Council to decide who conducts the local government elections however the WAEC have been used by the Shire for many years. The main reasons for using the WAEC is that they are the experts in this field and to also ensure that community have confidence in the impartiality and transparency of the election process. Council are considering this item this evening as part of item 12.1.1.

Failing to provide means for effectively confining a dog, from \$50 to \$100, and
Dog excreting in prohibited place, from \$40 to \$100.
