

Candidate Details

Ballot paper name	DOBSON, Kristy
Candidate name	Kristy Anne DOBSON
District	Shire of Ravensthorpe
Nominating for	Councillor for Shire of Ravensthorpe
Election type	Extraordinary
Enrolment status	DOBSON, Kristy is eligible to stand for election as a resident of the Shire of Ravensthorpe.

I moved to Hopetoun 18 months ago, after my fiancé Jayde Sinclair and I purchased land where we run a hobby farm alongside his family who have lived in the shire for 49 years and where we wish to eventually start a family of our own. Their community involvement throughout the years in nursing, volunteer fire fighting and my attendance at shire meetings over the past 8 months has inspired me to nominate for council in the upcoming extraordinary election.

I have previously studied economics at UWA and have been a Purchasing Officer for 8 years. Having worked locally for the last 12 months in the real estate sector, I have had the pleasure of establishing relationships with residents, renters, investors, and tourists which has given me a great feel for what the community wants from our local council members and shire.

If you're looking for a candidate who isn't afraid to challenge and propose new idea's, acts with honesty and integrity, and actively listens, then vote 1 Kristy Dobson.
